

 **A.M.P.A. Marcos Frechín**
Asociación de madres y padres de Alumnos

PRÓXIMO TALLER
¡A programar!
Sábado 12 de Noviembre
De 11:30 a 13:00
CEIP Marcos Frechín

The image shows a young girl with dark hair and a grey shirt, smiling and giving two thumbs up. In front of her on a wooden floor are two boxes: a black 'Micro:bit Mini Smart Robot Car Kit V2' and a green 'BBC micro:bit' box. Next to the boxes are two assembled robots. One is a small black robot with red LEDs, and the other is a yellow LEGO Mindstorms robot with multiple sensors and wires.
